

A person is sitting on a large rock in the middle of a calm lake. The person is wearing a dark jacket and a cap, and is looking out towards the horizon. The sky is a mix of orange, pink, and purple, indicating a sunset or sunrise. In the background, there are low mountains or hills. The water is still, reflecting the colors of the sky. Several other rocks are scattered in the water around the person.

2020

I am a freelance illustrator and designer providing services for editorial, commercial, branding and advertising.

Past clients include Kiss Radio, Asos, and Penguin Books.

Over the past fourteen years, I have worked closely with Directors and various other senior members of staff to develop marketing and design strategies that fit both their artistic sensibilities and long term goals.

I am very proud of the fact that I have completed a great amount of work in a very short time and look to continue this impressive level of productivity wherever I go.
